Education

Ph.D. in Psychology with a certificate in Measurement and Statistics Expected 2020
University of Maryland, College Park, MD
Dissertation: Preschoolers evaluations of social includers and excluders
Advisor: Dr. Jonathan S. Beier
Additional Training:
Diversity and Inclusion Teaching Certificate
University Teaching and Learning Certificate

M.S. in Cognitive Psychology 2018
University of Maryland College Park, MD
Thesis: The influence of social exclusion on face processing
Advisor: Dr. Jonathan S. Beier

B.S. Biology/Psychology Interdisciplinary 2014
Loyola University Maryland, Baltimore, MD
Senior Project: Building relationships: How self-compassion relates to initiation strategies
Advisor: Dr. Theresa DiDonato
Undergraduate Instructor: Messina Living Learning Community

Teaching Experience

Teaching Interests

Cognitive Psychology
Cognitive Psychology across Cultures
Developmental Psychology
Social Psychology
Research Methods
Statistics
Early Social Cognition
Introduction to Psychology

Instructor of Record

Research Methods I (Loyola University Maryland) Fall 2019
Teaching the first course in the research methods series at Loyola University Maryland (18 students). This class is designed to introduce students to the research process. Students work in groups to create a research proposal in addition to discussing issues critical to research design including ethics, generalization, and statistical considerations. Students are participating in group learning.

Introduction to Cognitive Psychology (Loyola University Maryland) Fall 2018
Designed and taught an introduction to cognitive psychology course at Loyola University of Maryland (32 students). Students learned about the main cognitive

processes, how they differ among cultures, and evaluated cognitive psychology research. Students engaged in active learning and presented on an area of cognitive psychology they were interested in.

Teaching Assistant (University of Maryland College Park)

Statistical Methods in Psychology Lab Fall 2019

Taught the lab portion for four sections (5-45 undergraduate students) of the statistical methods in psychology course. Responsibilities included designing lectures and lab activities, meeting with students, and grading assignments. Students engage in class activities and group work to learn statistical concepts.

Math Camp Instructor Summer 2017-2019

Designed and taught a one-week course each summer to acquaint first-year graduate students with R programming and review key statistical concepts.

Quantitative Methods in Psychology II Spring 2017-2019

Taught the lab portion of the graduate level statistics class (12-23 students). Responsibilities included creating lectures to teach analyses in R, designing homework assignments, meeting with students, and generating exam questions.

Quantitative Methods in Psychology I Fall 2016- 2018

Taught the lab portion of the graduate level statistics class (12-23 students). Responsibilities included creating lectures to teach analyses in R, designing homework assignments, meeting with students, and generating exam questions.

Interpersonal Relationships- Online Summer 2016

Monitored discussion boards, held virtual office hours, and graded blog posts about students' analyses of their relationships.

Statistical Methods in Psychology Spring 2015-2016

Met with students during office hours, graded assignments. Summer 2017-2019

Publications

(mentored undergraduates underlined)

Beier, J.S., Terrizzi, B.F., **Woodward, A.M.,** & Larson, E.G. (2016). Social considerations inform preschoolers' decisions to help others achieve goals. *Child Development.*

Forthcoming

Terrizzi, B. F., Woodward, A. M., & Beier, J. S. (invited revision, *Journal of Experimental Child Psychology*). Young children and adults associate social power with indifference to others' needs. Preprint: https://psyarxiv.com/45uca/

Woodward, A.M., & Beier, J.S. (in prep). Preschoolers' social evaluations of social includers and excluders.

Woodward, A. M., McCurry, T., & Beier, J. S. (in prep). Children's expectations for selective comforting between friends.

Woodward, A. M., Woller, S. D., & Beier, J. S. (in prep). Children protect others' reputations from unwarranted blame.

Beier, J. S., Terrizzi, B. F., **Woodward, A. M.,** & Ventimiglia, J. (in prep). What you should have done: Children's moral judgments incorporate representations of inaction.

Presentations

Poster Presentations

Woodward, A.M., Knoll, S.K., Beier, J.S. (2019, May). Some preschoolers track and evaluate social includers and excluders. Poster presented at Association for Psychological Science, Washington.

Terrizzi, B.F., **Woodward, A.M.**, Beier, J.S. (2019, April). Young children and adults associate social power with indifference to others' needs. Poster presented at the Society for Research in Child Development, Baltimore.

Ventimiglia, J., **Woodward, A.M.**, Terrizzi, B.F., & Beier, J.S. (2019, April). Children consider latency to help when evaluating others. Poster presented at the Society for Research in Child Development, Baltimore.

Woodward, A.M., McCurry, T.K., & Beier, J.S. (2019, April). Do different choice contexts shape children's expectations for selective comforting among friends? Poster presented at the Society for Research in Child Development, Baltimore.

Woodward, A.M., Woller, S., & Beier, J.S. (2019, April). Six-year-olds protect others' reputations against unwarranted blame. Poster presented at the Society for Research in Child Development, Baltimore.

Woodward, A.M., McCurry, T.K., & Beier, J.S. (2019, April). Children's expectations for selective comforting among friends. Electronic poster presented at the Budapest C.E.U. Cognitive Development Conference, Budapest.

Beier, J.S., Terrizzi, B.F., & **Woodward, A.M.** (2018, July). Beyond the "moral core": Young children's evaluations of people who do not help. Poster presented at the Society for Philosophy and Psychology, Ann Arbor.

Woodward, A.M., & Beier, J.S. (2018, July). Some preschoolers track and socially evaluate social excluders and includers. Poster presented at the Society for Philosophy and Psychology, Ann Arbor.

Terrizzi, B.F*, **Woodward, A.M.***, Ventimiglia, J., Beier, J.S. (2018, July). Young children negatively evaluate people who do not help, even when helping is challenging. Poster presented at XXI ICIS Bienial Congress, Philadelphia.

Woodward, A.M. & Beier, J.S. (2017, October). Preschoolers' evaluations of social includers and excluders. Poster presented at the Cognitive Development Society Conference, Portland.

Terrizzi, B.F.*, **Woodward, A.M.*,** Ventimiglia, J., & Beier, J.S. (2017, October). Preschoolers' evaluations of people who do not help. Poster presented at the Cognitive Development Society Conference, Portland.

Peleaz, N., **Woodward, A.M.,** Beier, J.S. (2017, July). Six-year-old children's preservation of others' reputations in everyday social situations. Poster presented

at the Summer Research Initiative Poster Day, College Park.

Woodward, A.M. & Beier, J.S. (2017, April). Toddlers' expectations of social partners' responses to each other's distress. Poster presented at the Society for Research in Child Development, Austin.

Beier, J.S., Terrizzi, B.F., **& Woodward, A.M.** (2017, April). Preschoolers' Consideration for how Helping One Person Impacts Third Parties. Talk presented at the Society for Research in Child Development, Austin.

Fields, A., **Woodward, A.M.,** Beier, J.S. (2016, July). Engineering of an eye-gaze contingent paradigm. Poster presented at the Summer Research Initiative Poster Day, College Park.

Woodward, A.M., Larson, E., Terrizzi, B.F., & Beier, J.S. (2016, May). Toddlers' social behavior toward high status individuals. Poster presented at the International Conference on Infant Studies, New Orleans.

Woodward, A.M., Larson, E., Sheldon, J., Terrizzi, B.F. & Beier, J.S. (2015, October). Toddlers' selective social behavior towards high-status individuals. Poster presented at the Child Development Society Conference, Columbus.

Terrizzi, B.F., **Woodward, A.M.,** Larson, E.G., Beier, J.S. (2015, October). Social considerations inform preschoolers' decisions to help others achieve goals. Poster presented at the Child Development Society Conference, Columbus.

Woodward, A. & DiDonato, T.E. (2013, November). Building Relationships: How Self-Compassion Relates to Initiation Strategies presented at Eastern Psychological Association Annual Meeting, Boston.

Bellows, A., Koriakin, T., **Woodward, A.,** Thompson, L., Padden, E., & Pritchard, A. (2014,February). Effectiveness of academic testing accommodations for children with ADHD. Poster presented at the International Neuropsychological Society, Seattle.

Woodward, A. Polanowicz, D., Elwell, K. (2012, April). Self-Control and Homonegativity. Poster presented at the Loyola University Maryland Student Research and Scholarship Colloquium.

Talks and Symposia

Beier, J.S., Terrizzi, BF., & **Woodward, A.M.** (2019, July). What you should have done: Children's moral judgments incorporate representations of inaction. Talk presented at the Society for Philosophy and Psychology, San Diego.

Terrizzi, B.F., **Woodward, A.M.,** Beier, J.S. (2019, March). Young children and adults associate social power with indifference to others' needs. Talk presented at the annual meeting of the Southern Society for Philosophy and Psychology, Cincinnati, OH.

Woodward, A.M. & Beier, J.S. (2017, October). Toddlers' expectations for social partners to respond to each other's distress. Talk presented at the Cognitive Development Society Conference, Portland.

Research Grants and Funding

Jacob K. Goldhaber Travel Award	$1,000	2019
Society for Philosophy and Psychology Travel Award	$100	2018
Dean's Research Fellowship	$2,500	2018

Janet Johnson Travel Award	$500	2018
Nancy Anderson Award	$500	2017
Dean's Research Fellowship	$2,500	2017
Dean's Research Initiative Graduate Student Award	$800	2017
University of Albany Faculty Research Award (with Dr. Erin Baker)	$4,000	2017
Jacob K. Goldhaber Travel Award	$800	2017
Janet Johnson Research Award	$300	2017

Mentorship Experience

Research Mentor Fall 2014- Present

Mentored over 40 undergraduate students in the Lab for Early Social Cognition. Trained undergraduates on research protocols, behavioral coding, data analyses, and research presentation. Wrote 15 letters of recommendation for graduate school and professional activities.

Summer Research Initiative Mentor Summer 2016, 2017

Formally mentored two students from underrepresented Backgrounds in psychology on research project development, including generating a research question, protocol creation, data collection, analyses, and poster development.

Behavioral and Social Sciences Mentor Fall 2014- 2016

Formally mentored undergraduate students interested in pursuing cognitive psychology.

Professional Development

Teaching

University Teaching and Learning Training Certificate	Fall 2019
Diversity and Inclusion Teacher Training	Fall 2018
Online Student Success Orientation Training	Summer 2018
Psychology of Teaching Course	Fall 2017

Statistics and Research Methods

The Analysis Factor- Generalized Linear Mixed Models	Spring 2018
Introduction to Bayesian Statistical Modeling Short Course	Summer 2016
Bayesian Comparison Workshop	Fall 2016

Skill Development

Statistical Programs: R, JASP, SPSS, mPlus, HLM, and Excel
Programming: Python and Ruby
Experiment Interfaces and Behavioral Coding: Psychopy, Datavyu, Tobii Studios, and Eyelink

Professional Service

Conference for McNair Scholars and Undergraduate Research Volunteer Spring 2019

Judged McNair student posters and provided constructive feedback to refine research projects.

Graduate School Workshop for Underrepresented Students Spring 2019

Served on a panel to answer questions and provide support for underrepresented students applying for graduate school.

Doctoral Career Consultant 2018- 2019

Discussed skills Ph.D. students need to succeed on the job market with the Director of Career Development. Created online training modules that help students learn the necessary steps for career exploration.

Graduate Student Orientation Panel 2016-2019

Met with new graduate students and discuss program requirements and answer questions.

Psi Chi Graduate Panel 2015-2017

Answered undergraduate students' questions about applying to graduate school. Met with individuals to discuss application materials.
